1. The Meeting was called to order by Phil Harris at 5:30 pm and he verified that the Agenda had been posted appropriately. Those in attendance were:
Board: Phil Harris, John Hanson, and Daniell Wahlgren
EMS Consultant: Dana Sechler
Others in the audience and online: Jim Galloway, Kim Prott, Cathy Logan-Weber, Corky Curtis, Scheback, DH, iPhone, and Al Eschenbauch
2. Motion by John Hansion, second by Daniell Wahlgren, to approve the Agenda as posted.
Voice vote: All ayes, motion carried.
3. The consensus of the group was to agree to continue to work with Dana Sechler at Strategic Management & Consulting, LLC for future consulting projects.
4. Phil Harris asked if the bank account is a high-yield account, to gain a little interest for the District.
5. Phil Harris clarified that all the Town payments arrived by August 31st, reflective of two equal payments.
6. Discussion occurred on the house at B&M. Several comments were made by the group regarding this being an option for a future station location. Daniell Wahlgren indicated that the property that he had been looking at fell through. John Hanson indicated that there is the possibility of the “State 40”. It has 6 acres, and no utilities yet. He has contacted the representative, and she contacted John back today, to get some more information on what entity would be using the land.
7. The date for the next Building committee meeting was set.
8. The meeting was then adjourned by the President at 6:30 pm.
